

The Sharratt family owned the brickworks (David Sharratt & Sons Ltd) in Huddersfield Road on the way up to the Ainleys. They also owned several fireclay mines in the area.

Albert Sharratt (born in 1863) married Hannah Maria Morrell in 1893. They lived in Huddersfield Road, Elland, just down from the brickworks, next to Jonathan Dodgson.

Albert laid this stone in memory of his mother, Martha Sharratt.
